*This half (1/2) day session is a facilitated discussion to provide a deeper understanding of the items in the ECERS-3 scale. Participants should have already attended the Introduction to the Environment Rating Scales and will find it beneficial to have also attended the Practice Using the Environment Rating Scale. **In addition, anyone interested in contracting with the Nebraska Department of Education to conduct observations in early childhood programs should attend this session as the first step.***

Registration for any of the above trainings can be completed by going to <http://ecrecords.education.ne.gov/HomePage.aspx>.

Click on “**Training Calendar**” and select the training on the date desired.

Participants must bring their own ECERS-3 scale book. Books will not be provided.

NO REGISTRATIONS OR REFUNDS WILL BE ACCEPTED AFTER THE DEADLINE
